REMARKS

Applicants appreciate indication of allowance of claims 25 and 26 in the Office Action of December 14, 2005.

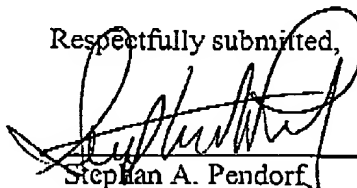

In response, in order to expedite issuance of a first patent, Applicants cancel not-yet-allowed claims, reserving the right to file continuation or divisional applications to the canceled subject matter.

Applicants add new dependent claims based on original claims 14-17. These claims further limit the scope of the independent claims, and are allowable by virtue of their dependency from allowable claims.

Accordingly, Applicants believe that all the claims are now in conditions for allowance.

Favorable consideration and early issuance of the Notice of Allowance is respectfully requested.

Respectfully submitted,

Stephan A. Pendorf
